~Friends of the Paint Creek Trail~

A non-profit organization* created to give Trail users the opportunity to help plan for the future of the Trail, and to assist with the environmental stewardship of the Trail. Our mission is to promote the usage, maintenance, improvement, and enjoyment of the Trail.

~Projects and Activities~

Working with the Paint Creek Trailways Commission and Trail Management, we have organized trail rides, walks, and Trails Day Events. We also created and maintain a pollinator garden along the Trail to increase the value and enjoyment of the Trail. The *Friends* also design, produce and sell Trail-branded merchandise such as hats and shirts.

~Fund Raising~

Merchandise sales, donations by the public, and activities held on the Trail provide fund-raising opportunities. This enables the *Friends* to install bike FIXIT stations, bike racks, water fountains and more to add to the enjoyment of Trail users.

~Membership and Meetings~

Members serve as Trail Ambassadors and participate in quarterly meetings to provide input on Trail management, and suggest, plan and volunteer to help with fun events. Meetings are generally held in person at the Paint Creek Cider Mill or via web conferencing.
