Crusin' for the Trails May 2nd Event:

- Overview – registration 9:30-10:30.
- Event ends at 2:30. Evaluate trip stop timing with Steve Johnson
- CRT Friends purchased a bike for their raffle, cost approximately \$450,
- Rochester Mills did not allow raffle sales inside their building. Our ride is limited to 150 riders, over 80 riders are already signed up ... group agreed to raffle gift items rather than purchasing a bike.
- Tim will approach Oat Soda for a gift basket / swag stuff
- Louis will approach Steve Johnson about gift item from Rochester Mills
- Chris and Melissa will plan a swag gift basket from the FPCT group
- Louis will work through Steve Johnson for a Main Street Bikes gift basket
- Louis will solicit wine donation from Fieldstone Winery
- Louis to ask Steve to remove "bike raffle" from the event ad

Who / Where to sell raffle tickets?

- Oat Soda (Melissa, Louis),
- Cider Mill (Sammy),
- Rochester Mills (Chris, Tim, Dan, Rock possibly)
- Mike and Anne volunteered; assignments TBD at April 9th meeting
- Ask Steve Johnson to note that cash is needed to buy raffle tickets and merchandise, Melissa and Chris will also note in social media.

Merchandise Marketing Plan

- Set up tent and table @ Rochester Mills
- Shirt inventory – low inventory in small and medium; just sell what we have rather than ordering more (Refine selection at April 9 meeting)

Trail Manager's Update: Melissa Ford

- Trail Signage Project & Request for Friends Support
- Signage Project – 2 gateway signs, 8 kiosks are funded
- Trail Commission request \$1550 from FPCT to help fund a 9th kiosk @ the PC Junction. Motion: Mike Jahn moved to approve, Tim Gauthier seconded, approved
- Bridge ribbon cutting event planned for June 6 National Trails Day
- Displays and events from the cider mill to the bridge. FPCT will support w tent, table and volunteers. Reuse Spin Wheel which was popular last year.
- FPCT Moutrie Garden ribbon cutting event – tie in with Pollinator week
- Polly Ann Trail connector – project is progressing; construction in 2020
- Paint Creek Junction project going out for bid soon; construction in 2020
- Master Plan Final Report- final version is now on PCT website

Moutrie Pollinator Garden Project Budget & Status: Attachment

- Project is well funded. FPCT obligation to cover shortfall up to \$2700
- Project needs to incorporate signage to recognize contributors; this topic will be on the next Trail Commission meeting along w benches and planting. Want if possible, to incorporate signage with look and feel that is consistent with new trail signage.
- Planting is tentatively scheduled for sometime in May subject to weather conditions
- Expect to be ready for ribbon cutting event during June 22-28 Pollinator week

7:45 p.m. Motion to adjourn – Clara Pinkham, Sammie Martin – approved

Crusin' for the Trails

May 2, 2020

The plan is to start in downtown Rochester at Rochester Mills Beer Co and bike to Lake Orion via the trail. Once in Lake Orion, we would have a beer at Oat Soda Bar. At the halfway point, we would work with the Paint Creek Cider Mill for everyone to get 2 donuts, but no beer since we would have already given them a beer at Oat Soda. It would make this part of the ride pretty easy. The ride would conclude back in downtown Rochester with a beer at Rochester Mills. The Friends of the Paint Creek Trail is to be the charity of choice for the ride.

If you would like to tie in a raffle at the conclusion of the event, that would be your choice. Whatever you would like to raffle off (bike or gift cards or something else) would be your job to secure them and sell the tickets. I would handle the ride, registration and pay for the all of the swag, beer and donuts. I would then donate a part of the tickets back to the friends group just like in the past.

 - Louis welcomed Donald Fenton, Cathy Coleman, and Adam Cruz
- ❖ Approval of Agenda and April 8, 2021 minutes
 - Corrections to minutes made by Mike Jahn
 - Motion to accept as corrected, made by Mike Jahn, second Anne Jahn, approved unanimously
- ❖ Trail Manager's Report, Melissa Ford
 - For National Trails Day, funding has been secured for the GooseChase scavenger hunt, which will take place between May 30 and June 5, 2021. The Trail staff is working on clues, which will be along the trail, will be identified with GPS locations, and will include video missions. Five Lake Orion restaurants are sponsoring the event, which will end on June 5, from 12-3 PM, at Cookies & Cream in Lake Orion, where participants can pick up prizes, bike bells, treats, and other items. Donors are still needed for prizes, and volunteers are needed to staff the table on June 5.
 - DIA Inside out project installation is pending, hopefully installed by early June. Details on the artwork to be displayed will be available at the DIA website.
 - The Little Library for the Moutrie Pollinator Garden is installed. The family that donated it in memory of a family member had their own dedication ceremony May 1. The bike rack is also installed.
 - The Branding Committee of the PCTC is finalizing the way finder signs for the signage project. The new kiosk is installed at Tienken Rd. by the Eagle Scout who made it; he is also installing a new kiosk at Atwater St.
 - The PCTC is working on updating the Trail map brochure.
 - The Paint Creek Junction project is on schedule to begin soon, and is still expected to be completed by October 1.

- ❖ Clara Pinkham asked about the concerns regarding the trail surface. Melissa Ford discussed that Rochester Hills and Oakland Township have been grading their surfaces, and she is getting quotes for grading other areas of the trail. The topic will be discussed further at the next PCTC meeting. Anne Jahn noted that it appeared sand was put on the trail.
- ❖ Motor City Brew Tours update, Louis Carrio
 - As of a week ago, there have been 30 people registered, and there are still people doing so.
 - A donation of about \$500 is anticipated.
- ❖ Financial Report presented by Clara Pinkham, Secretary/Treasurer
 - Revenue since April 8, 2021 meeting \$125.00; expense \$0; total \$125.00.
 - Checkbook balance as of May 7, 2021 \$24,414.92.
 - Restricted funds \$4136.65.

12. Cory Johnson	

- ❖ Meeting called to order at 6:47 PM
- ❖ Introduction of attendees, Welcome to new members
 - Louis welcomed Robyn and Cory Johnson
- ❖ Approval of Agenda and April 8, 2021 minutes
 - Motion to accept as corrected, made by Paul Miller, second Dan Butterworth, approved unanimously
- ❖ Trail Manager's Report, Melissa Ford
 - Labor Day Virtual Bridge Walk – 14th Annual (no event held in 2019 due to trail construction, or 2020 due to COVID-19 pandemic); features will include a kids' art activity, information tables from the Rochester Pollinators Club and the Friends of the Paint Creek Trail, refreshments.
 - Giveaway for registered participants will be a PCT car sticker and packet of Purple Coneflower seeds.
 - Monday Sept. 6 at 9AM, volunteers needed at 7 AM to set up, and no later than noon for cleanup.
 - David Walker, Paint Creek Trailways Commission, requested a sponsorship of \$250 from the Friends to help offset expenses. Louis Carrio noted the event was previously run by the Friends, but due to lack of volunteers, the event was taken over by the PCTC, with the Friends in a supporting role.
 - Paul Miller provided a brief history of the event and Labor Day.
 - Louis requested \$250 be given to the PCTC for the event. Motion made by Paul Miller, second by Dan Butterworth, approved unanimously.
 - Participants will be asked to make a donation of \$5 per family, and donations will go to support the Moutrie Pollination Garden.
 - Volunteers as of this meeting include Louis and Eva Carrio, Dan Butterworth, most likely Jean McBride, and Anne and Mike Jahn. Melissa will send out an email requesting volunteers.
 - Trail sign project – Phase 1 is almost complete, with the exception of 3 final Gateway signs and a map kiosk at the Paint Creek Junction; Phase 2 includes 12 Way-finding signs, for which funding is in place, and the information to be on the signs is expected to be finalized within the next 2 months; Phase 3 includes road crossing signs.

- Paint Creek Junction construction is underway, with an October 1 completion anticipated for most features. Permits for the restrooms have been secured; the well is done. Some funding for the water pump is being held by the Friends.
- The DIA's Inside Out exhibits are in place and have been well received. They will remain in place until late October/early November.
- Treatments for invasive species will be done in the next week or so per a grant from Oakland County. This will happen near Lake Orion, and south of Dutton. Barriers will be put out and signs posted to close the trail in these areas during the treatments. Signs will also warn trail users of the chemicals used.
- Representatives from Trout Unlimited will be using stairway access to the creek with motorized canoes for maintenance. Jean McBride will work with Trout Unlimited regarding native plants.
- Cory Johnson asked if the trail speed limit was posted. Melissa noted that the PCTC opted not to post the speed limit as it might actually encourage riders to go faster.
- Paul Miller thanked Melissa and Chris for all of their day to day work.
- ❖ Financial Report – Clara Pinkham, secretary/treasurer
 - Revenue since May 7, 2021 meeting \$1225.57, expense \$1234.76, total -\$9.19
 - Invoices presented for approval:
 - West Bend for annual insurance \$873.00, motion by Paul Miller, second by Dan Butterworth, approved unanimously;
 - Debit card for pizza for tonight's meeting, \$57.39, motion by Paul Miller, second by Dan Butterworth, approved unanimously;
 - Motion to accept financial report as presented, by Paul Miller, second by Louis Carrio, approved unanimously.
 - The PCTC will take over financial responsibility for the MPG maintenance.
 - Paul Miller asked if the \$1051.65 in restricted funds for the Ludlow Bridge could be re-directed at this time. Melissa noted that this bridge is the next to be addressed, and asked that the Friends retain those funds for now.
- ❖ Moutrie Pollinator Garden – Jean McBride
 - The ribbon cutting ceremony of June 28 at 4 PM was well attended; Jean thanked David Walker for being the MC.
 - Jean noted that the garden is doing well, especially considering the very hot and humid weather of late; most of the plants from 2020 are healthy and blooming; recent heavy rain has caused some erosion on the pathway, and the moisture gets trapped in the mulch, which is perhaps too thick a layer, causing fungus and mold to grow; Paul asked is there is a layer such as cocoa shells that is less friendly to mold and fungus; a discussion about possibly adding cocoa shells in the spring ensued. Marilyn Trent from the Rochester Pollinators offered to donate 32 plants for the garden, which will be cared for and stored over the winter, and planted in the spring; there are no bugs yet on the milkweed.
 - Ken Elwert from the PCTC is working on a watering schedule, and a Kings Cove resident is currently running hoses from his home to the garden for watering.
- ❖ Motor City Brew Tours update, Louis Carrio
 - Louis reported that Steve Johnson is closing his Detroit business and moving out of state.
 - A donation of \$500 was received for the May 2021 event.
 - Louis discussed the history of the annual bike ride event.
 - The question of if the Friends wants to take the event back over and continue it as a source of revenue and to promote the trail, and noted that the Friends had lost momentum in running these events; should the Friends also plan fun events, Paul asked about co-sponsoring with the local DDAs. Louis introduced Joe Burns and requested Joe's input on planning events. The subject will be further discussed at the December meeting.
- ❖ Michigan Trail Magazine and ad

- The Paint Creek Trail ad for 2022 was discussed, cost of \$375 to be paid in January; Louis presented art for the ad. The Friends receive 100 free copies of the magazine with the ad placement.
- ❖ Future meeting dates
 - December 9 for annual Pot Luck or pizza, and Officer elections for 2022
- ❖ Motion to adjourn meeting at 8:05 PM made by Paul Miller, second by Dan Butterworth, approved unanimously.

Footnotes following the meeting:

Information from Robyn Johnson, received via email August 18, 2021..There was some discussion of using coco mulch on your pollinator/native garden. We have some experience working on native gardens and, although were not experts, I think you might want to research the pros and cons of this type of mulch before using it. This is an imported product (non-native) and some of it is salt cured which could be detrimental to the plants. I don't know its impact on insects, but it can be toxic to dogs.

Following the meeting, President Carrio met with the Trailways commission and was urged to conduct the bike ride in 2022 as it is a fun event on the trail and a source of revenue for the Friends organization.

Tour de Trail & EXPO (*Friends* Meeting 12/9/2021)

The *Friends* approved running the event assuming revenue would exceed expense. The motion by Louis Carrio, seconded by Tom Fisher, was approved unanimously. The following observations and suggestions were offered by participants in the meeting:

Name and Logo Design were liked by all. T-Shirts should be cotton-polyester (NOT a wicking shirt) and people liked the hunter green without a collection of sponsor logos. If there is a major sponsor the sleeve could be used for their logo.

The event should start around 8:30 am and participants should be released in this order:

- 1 Bikers
- 2 Runners
- 3 Walkers

Children's Park cannot be used as a beer area. Plan to use a fenced area of the parking lot. Rosemary Ford, City Parks and Recreation, should be consulted and may also wish to serve on the subcommittee.

For registration, Joe Burns suggested East Side Racing be considered along with Eventbrite. Joe will explore with ESR as Back to the Beach Runners use them. ESR can possibly provide an arch which is great for photos.¹ Note: Need a dedicated, full-time volunteer photographer.

Bike Rodeo to be organized by Tom Fisher. Possible to have a slow roll race, slalom course possibly by fire station, lessons, etc. Need adequate registration tables to avoid excessive lines and waiting. Participants could be directed to another location for helmet use education.

Sites to consider for participation could include the new Paint Creek Junction and Royal Oak Archers, which could provide some activity. Discuss partnership of some type. www.eze-bikes.com/shop/ Canterbury Village is a potential sponsor and participant. They do rentals and may be able to offer rental ebikes on event date.

Early event marketing will be important due to competing events by Leader Dogs Bark & Brew. (Is there a possible tie in?) Participant list from Steve Johnson is available for this purpose.

A committee will meet, starting in January, to work on the event plan developed to date:

- Louis Carrio
- Mike Jahn
- Jason Peltier (Will reach out to Rosemary, others in Lake Orion)
- Tom Fisher

Plus 1-2 others to be selected. Joe Burns is to talk with ESR about registration services and the arch.

¹ After the meeting Joe Burns reported, "Spoke with Deanna S and Bob Busquart and they can have not just a colorful Arch at the start but also a clock we can start that will run to give everyone an idea on their times at the finish. Fun news ... I did ask them to review options for on-line registration that can be offered as well."

An event on the Paint Creek Trail and in the Village of Lake Orion is being planned for June 4, 2022, National Trails Day. The event name is tentatively called **Tour de Trail & Expo**.

Vision and Objectives

The planned event would be family-oriented and appeal to cyclists, runners and walkers. Specific objectives for the event are:

- Have a fun and safe event on National Trails Day
- Offer engaging informational and educational experiences
- Provide income for the Friends of the Paint Creek Trail
- Support businesses along the route and in the communities traversed

-----Logistics-----

The event would start and end in Lake Children's Park, Lake Orion (permit required). A cluster of canopy tents would be used to create an environment for an EXPO that would support:

- Trails Day activities focused on fun and education
- Raffle ticket sales and prize presentations
- Vendor displays of interest to participants such as bike gear, running shoes, etc.
- Seating for food and beverage consumption
- Music suitable for the event
- Purchases of food¹ and beverages, including canned

beer. The area would be fenced using temporary orange fences, existing fences and buildings to control a single entry/exit point.

- Food offered for purchase by selected vendor(s) should not require utensils. Food trucks capable of offering quality food should be considered.

¹ Consider Hunter House, Lipuma, Paint Creek Cider Mill Restaurant, local restaurants. Check with Jason, PCCA A&A: [Ziffelsfoodtruck.com](https://deutschtroit.com/), <https://deutschtroit.com/>

Proposed Timing for the Event:

- Sign in starts at 7:30 am
- Runners and walkers start at 8 am (they will be spread out by the time cyclists depart)
- Cyclists start at 9 am
- Raffle prizes will be announced at noon and the event closes shortly thereafter

The EXPO would be open to anyone. A voluntary \$5 donation to be suggested to non-registered entrants at entry.

The route for the event would be Lake Orion to Rochester and back (19 miles). However participants will adjust their run/walk/cycle distance as desired. Stations will be established to encourage participants to visit areas along the route including towns. The motivation for such visits would be incentives, such as doughnuts, coupons, games, and toilet facilities.

Note on coupons: Coupons for participating businesses can be made valid for the day of the event, a longer time frame (e.g. the month of June) or both. Stations that involve businesses would be established in a way that does not interfere with normal business activities.

Registration for Participants

An entry fee for participants will be established once all components have been budgeted. All registrations will be in advance and managed electronically. There will be no day-of registrations. No rain date is planned.

Participants will receive:

- Information pertinent to the event (trail map, route, stations, coupons, ticket for EXPO, etc.)
- Goodies
- Beverage ticket(s)
- Ticket for EXPO
- A moisture-wicking T-Shirt² with an event logo, and without a sponsor or event date.

An alternative pickup arrangement for the above items will be made to accommodate those unable or unwilling to participate on the day of the event due to weather. For example, June 5, 2022 at Oat Soda, at a specific time. A volunteer would be needed on site for this purpose.

Revenue Opportunities³

These include:

- The fee for participating in the event would include a designated amount for the Friends
- Food and beverage vendors can be asked to pay a fee or commission to service the event
- Merchandise sales (Hats, T-Shirts, Hoodies) provide a modest profit
- Donations
- Raffle of items donated by sponsors and/or a 50/50
- Direct Sponsorship

2 Only participants registering by a specified deadline will be offered a T-Shirt opportunity. The deadline for ordering a shirt will be based on a conservative production schedule. The shirt could be included as part of registration or as an option to purchase when registering.

3 In the past, the Friends have used funds raised to support a range of trail improvements and activities. Examples include the Moutrie Pollinator Garden, bike fix-it stations, water fountains, trail signage, bike racks, lids-for-kids, Trails Day and Labor Day Walk support. Overhead for operating the Friends organization includes insurance, Trail Magazine advertising, web services, and miscellaneous expense.

Potential EXPO participants and sponsors discussed include:

- Holy Spokes Bicycle Shop
- Main Street Bicycles
- Hansons Running Shop
- Cookies & Cream
- Paint Creek Trail
 - Management
 - Friends of the Paint Creek Trail
- Lake Orion Dragons
- Rochester Pollinators/Moutrie Pollinator Garden
- Beer Sponsor Tent
- Doughnuts & Coffee
- Food Vendor(s) selling food not requiring utensils
- Bike Safety Rodeo⁴

Event sponsorship at three levels with variable benefits will be offered once details have been finalized.
(*Event, Presenting, Contributing in prior years*)

[How to Set Sponsorship Levels and Benefits for Your Next Fundraising Event
\(thefundraisingauthority.com\)](http://thefundraisingauthority.com)

Participants and resources along the route and into Rochester to be considered:

- Beverage/snack station at the 5K point from Lake Orion
- Paint Creek Cider Mill Restaurant (Doughnuts)
- Moutrie Pollinator Garden Visit and on-site education
- Dinosaur Hill on-the-trail information stop
- Rochester Park Restrooms
- Beer/Pop Stop at Rochester Mills, Kruse's Paint Creek Tavern or similar facility
- Rochester Farmer's Market (coffee, doughnuts, Rochester Pollinators)

Notes:

- Although Trails Day Events have been held in Lake Orion these past years we need to be sensitive to Rochester and consider how to balance the benefits with future events.
- Displays and activities in the EXPO need to be engaging for adults and children, and fill the time gap between the 8am start time and noon raffle prize awards.
- The process of acquiring required (LO) permits and licenses should be started early.
- Equipment displays and opportunities to try out running gear can be arranged through Hansons.
- Beer sponsors can be arranged through Jason Peltier.
- Friends 501 (c)(3) status and Jason Peltier's attorney can help to expedite needed permits.
- EventBrite and Eastside Racing Company are options for electronic registration⁵.
- Stations would include Paint Creek Cider Mill and Downtown Rochester locations TBD.

⁴ From Tom Fisher, Chair of the Parks and Path Committee for Orion Township "I would be happy to help with the planning for the National Trails Day event. I'm especially interested in a bicycle skills rodeo. I also have a few ideas with regards to signs & graphics to promote trail safety education. We could have pre & post event bicycle rodeo stations. After they register, cyclists could go to the bike & helmet fit stations run by local bike shops & groups. Then we could use the sidewalk in front of the fire station to practice riding in a straight line. Followed by a Slalom in the north driveway of the fire station using sponges or half tennis balls. After the ride we could have some more detailed stations requiring three volunteers per station. We could also run continuous slow races all day."

⁵ Need capability of registering couples and families.

Meeting of the Paint Creek Trailways Commission

At the October 19th meeting the Commission agreed to the date and concept. The event will be managed entirely by the Friends of the Paint Creek Trail. PCT Management's role will be limited to a Trails Day activity TBD. A suggestion was made to change the name of the Crawl as “crawl” is a term more often used with pub crawls than family events.

Meeting of select members of the Friends of the Paint Creek Trail

On Saturday, October 23, 2021, at Oat Soda, PCT Friends Carrio, Jahn and Peltier met to discuss next steps, select a name for the event, and identify potential EXPO participants.

- ❖ Meeting called to order at 6:30 PM
 - Louis welcomed everyone and acknowledged guests and new members
- ❖ Approval of Agenda and December Meeting Minutes
 - Motion to accept made by Mike Jahn, second Anne Jahn, approved unanimously
- ❖ Financial Report – Clara Pinkham, secretary/treasurer
 - Motion to accept (inc. expenditures) by Jean McBride, second Mike Jahn, approved unanimously
 - Motion was made by Anne Jahn, seconded by Jean McBride, to authorize calendar year expenditures for miscellaneous and recurring expenses up \$200 and \$1,200 in the aggregate, with retrospective Board approval. Motion was approved unanimously.
- ❖ Trail Manager's Report, Melissa Ford
 - Reported on sign installations. All commented favorably.
 - Of the two grant proposals prepared to obtain needed engineering analysis for 31.7 bridge, the \$25,000 grant has been approved; Funds held by the Friends will be disbursed in May.
 - The Trailways Commission is expected to review and select the replacement for Chris Gray at the May meeting.
 - Dine-to-Donate is planned for May 22 at Oat Soda; Announcement coming soon.
 - The membership acknowledged the long term support received from Ms. Gray and presented a thank you card along with a Paint Creek Trail Four Season Trivet.
- ❖ Tour de Trail was discussed extensively and members made several suggestions to clarify the event poster. Tom Fisher, member of the planning group, explained the Bike Rodeo. The need for support staff was discussed and a more detailed list of requirements is forthcoming. Tom Fisher took extensive notes that will be incorporated into the Planning Document to be provided separately.
- ❖ Lids-for-kids, Nancy Butty, explained how the organization distributes bike helmets and fittings to encourage safety. They have received a \$2,000 grant from the Community Foundation and are seeking an additional \$3,000 to acquire the nearly 500 they want to distribute. The Friends previously donated \$2,500 to support the initiative. A motion was made to authorize by Dan Butterworth, seconded by Mike Jahn, to donate \$3,000 subject to reciprocal arrangement that would support awareness and interest in Friends membership. Motion was approved unanimously. See email attached for outcome.
- ❖ Moutrie Pollinator Garden-Jean McBride gave a garden update and plans to have staff at the MPG on June 4th to include master gardener(s) if possible. The need for plant replacement, additional plants and

supplies was discussed. Ms McBride was authorized by Trail and Friends management to make reasonable expenditures for reimbursement by the PCT.

- ❖ Friends of the Paint Creek Trail Organizational Issues as outlined in the attachment.
 - Topic introduced by Louis Carrio, President. Our objective was primarily to raise funds in support of the Trail, to provide some maintenance of the trail and to make improvements to the Trail in cooperation with the Trail Commission. Many of the Friends group in the beginning had various skills and links to other organizations that helped to manage the Friends group. For example, Kristen Myers was the Trail Manager but was also on the Friends group Board. Since then, many of these original members have left the organization and a lot of skills and connections have been lost. The 501c3 designation also has many requirements that takes added time to maintain. Government forms, filings, etc. are required.
 - Louis Carrio reported he previously presented these concerns to the Trail Commission in recent meetings and has expressed concerns about the future of the (Friends) organization. Having lost the skills and the people from the earlier organization, a lot of effort is required to maintain the paperwork, the 501c3 workload, the website, the accounting, insurance, etc. to run this business. In addition, membership has not been very robust in general. Some members are members in name only and do not attend the meetings. Many people would like to help with trail activities but are not interested in the business side of the organization.
 - Linda Gamage asked if we need to be a 501c3 organization. Louis commented that it helps with donations. As an example, we just received an unsolicited donation of \$500 from a person on December 29. Louis mentioned that it probably helps with obtaining liquor and raffle licenses also, but its not clear that would be a barrier. Jean McBride asked how many members we now have. Louis commented that we have members that attend the meetings and others that do not. (Attendance at this meeting was 15 total including a guest presenter}
 - Ella Della Torre asked if we have advertised the organization. Louis mentioned flyers that we have printed in addition to the website. Linda Gamage asked if we charged for membership. Louis responded” No”. Linda also suggested we try to tie an event to a membership drive so that people come to hear a presenter (for example) and then sign up for the Friends group.
 - Frank Della Torre suggested a table at the Rochester Farmers Market.
 - Chris Gray mentioned that the Clinton River Friends group has had success with bringing in presenters for meetings and gathering membership from that. Melissa Ford mentioned that an OU professor might be a possible presenter. Don Fenton suggested that many companies have expertise we might be able to tap into on a temporary basis to update websites, etc. that would allow the company to take tax credits. Louis mentioned that local students might also be a possible resource. Louis asked Don to investigate this further.
 - Linda Gamage asked if we had a mission statement. Louis read off the Friends group statement.
 - Mike Jahn summarized that we have two key issues- 1) Is the 501c3 designation needed? And 2) How can get a more robust membership that supports the needed tasks and places less load on the existing membership. Dan Butterworth volunteered that he has some web skills and file management expertise that might be of some help. Louis will discuss offline with him. Clara suggested conducting meetings in a restaurant to generate interest in the group. Melissa Ford mentioned they have a Dine and Donate meeting offsite at the Oat Soda bar. Louis also is investigating a year end Friends group meeting at Oat Soda.

(Recorded at the meeting by Mike Jahn 04/14/22)

- ❖ 2022 meeting dates are:
May 12 to prepare for Tour de Trail; August 11 to prepare for LDBW, Tuesday, December 6 for the annual meeting and elections. Members liked the idea of going out for the meeting and Oat Soda was mentioned as a possibility.
- ❖ Motion to adjourn meeting at 8:41 PM by Louis Carrio, second by Anne Jahn, approved unanimously.

- ❖ Approval of Agenda and April Meeting Minutes
 - Motion to accept made by Mike Jahn, second George Ingram, approved unanimously
- ❖ Financial Report – Clara Pinkham, secretary/treasurer
 - Motion to accept (inc. expenditures) by Mike Jahn, second Dan Butterworth, approved unanimously
- ❖ Trail Manager's Report, Melissa Ford
 - Reported on sign installations. All commented favorably.
 - Of the two grant proposals prepared to obtain needed engineering analysis for 31.7 bridge, the \$25,000 grant has been approved, as has the second grant proposal for \$50,000. Funds held by the Friends will be disbursed in May 13, 2022.
 - Ms. Suzanne Tatia was hired to replace Chris Gray. Ms. Tapia could not attend this meeting due to illness.
 - Dine-to-Donate is planned for May 22 at Oat Soda; Announcement coming soon.
- ❖ Tour de Trail discussion was captured by Mike Jahn, as follows:
 - Mike Jahn reported \$2645 promised for event donations and \$1920 received to date.
 - Planning Committee meeting held yesterday at Oat Soda. Louis Carrio, Mike Jahn, Tom Fisher, Melissa Ford, Dave Mabry, Jason Peltier and Donni Steele were in attendance.
 - Louis commented that the Eventbrite site is working well. We only have about 27 people signed up to date. Louis mentioned that T-shirt orders must be in by May 18 and only 20% of the entrants have ordered them so far. Most entrants so far are bikers.
 - Louis said the raffle license has been approved. The Special Event license has not been approved yet but is in process. They have charged our credit card so we don't expect any issues.
 - Griffin Claw will be donating \$500 to the event. The Trail Commission/Friends group will be responsible to purchase and distribute the beer. 12oz Hard Cider and 16oz Beer cans will be available.
 - Tickets will be issued to purchase the beverages. 5 tickets for alcoholic beverages and 2 tickets for pop and water.
 - Louis discussed the volunteering positions and requested people sign up using the Sign Up Genius website. Numerous positions are still open.

- Tom Fisher suggested we get a high top chair for the entry gate. Jason may be able to supply.
 - A liability release form will be issued to all participants for them to sign and return at registration.
 - Louis discussed the sign format for the on trail signage. Louis agreed to do the sign design for Silver Shamrocks. Deb Silver agreed to a \$250 donation. At a previous meeting we discussed what Deb will do on the trail at the Gallagher. Deb will also check into the insurance rider needed. Deb will be giving away pancakes at the Gallagher. The Trail Commission was in agreement with Deb giving something away at the event but not selling anything.
 - Louis stated that adults are needed to give out tickets for alcohol and for distributing the alcoholic beverages.
 - It was suggested by Clara Pinkham that we all use our personal Facebook pages to advertise the event and include the Sign Up Genius link for volunteers.
 - Ms. Ford will send an email to her list of past participants on Monday, May 16, 2022.
- ❖ Lids-for-kids, Event at the Farmer's Market was successful. \$10k was spent on helmets including the \$3k from the Friends.
 - ❖ Moutrie Pollinator Garden-Jean McBride was unable to attend due to illness. Eva Carrio gave a report and indicated the garden plants were coming up and the plot had received mulch from the city.
 - ❖ Flowers & Art-Oat Soda plans to have a table at which the Friends and Trail Management can:
 - ❖ Promote the Tour de Trail
 - ❖ Advocate for membership in the Friends
 - ❖ Advertise for Dine to Donate
 - ❖ 2022 meeting dates are:
 June 2 to prepare for Tour de Trail; August 11 to prepare for LDBW, Tuesday, December 6,7 or 8 for the annual meeting and elections. Members liked the idea of going out for the meeting and Oat Soda and Silver Shamrock were mentioned as possibilities.

The meeting was called to order at 6:30 PM

Approval of Agenda and May Meeting Minutes

- Motion to accept made by Matt R, second by Dan B. Approved unanimously

Financial Report by Matt Reimann, Treasurer

- \$64k was invested into a CD
- 1 invoice presented to Trail management for reimbursement of garden purchases (Motion to accept made by Dan B. and second by Matt R.; approved unanimously)
- Motion to accept by Darlene R. second ed by Ella DT and approved unanimously

Trail Manager Tom Correll gave the following updates:

- Bridge at Woodward replacement involving 2 grants projected to start Spring 2025
- Kick-off meeting for Website redesign shortly; project new website by yearend
- Master Plan: public input (about 400) has been collected and feedback will be reviewed in November; the project will be finished in the spring of 2025
- Solaronics Property: the project has been approved; fence removal after closing
- Issues related to two Trail encroachments were reviewed
- Flagstar water fountain remains unusable due to high chlorine levels

Labor Day Walk discussion:

- Tom expressed gratitude for Friends' help in the event
- A summary was presented with details regarding the number of participants (175, same as in 2023; (500 is deemed feasible), about \$2,500 was raised
- This year there were more pre-registrations
- The event space worked well again
- This year, high school volunteers were present
- Dinosaur Hill exhibit was again well received
- Shirts sold well and they were well received by participants
- Crossing guards at Tienken and Ludlow worked well for participant safety
- Few Event participants visited the Moutrie Pollinator

Brainstorming session to improve the event:

1. For the MPG next year install sign, no staff assignment
2. Put promotional yard signs on the trail well before the event
3. Offer face painting for kids
4. Install a permanent Turn-around sign/marker at 5K to promote the annual event
5. Have a sound system for announcements and music
6. Have a food truck at the event for lunch
7. Have entertainment such as live music during the event
8. Ideas to recruit more participants:
 - a. Provide numbered, sponsored race bibs to distinguish participants from non-participants on the Trail, and use bib numbers as raffle numbers
 - b. Tier price shirts; Pre-registrants can buy a shirt/hoodie at a lower price.
 - c. Use Facebook push notifications and purchased ads
 - d. Exhibit twice at the Farmers' Market; July and August
 - e. Use promotional cards broadly and well in advance of the event
9. Friends Table at the Event: We need 4 volunteers, 1 cashier, 2 people to handle merchandise, and 1 person for general inquiries
10. Give ourselves more time to plan for the event; Start in late June or early July

Moutrie Pollinator Garden Update provided by Eva C. and Darlene R.

- Plants are seeding right now
- Plants need to be cut back after first hard frost
- 16 new plants were given by Oakland County and planted
- All new plants need start-up TLC

The meeting was called to order at 6:30 PM Louis Carrio welcomed everyone.

A motion to accept the Agenda and December Meeting Minutes was made by Mike Jahn, seconded by Anne J. Approved unanimously.

Financial Report – Presented by Matt Reimann, Treasurer

- 2024 Interest Earned \$1,869.01
- Community Foundation Donation \$2,500

A motion to accept the financial report was made by Ella Della Torre and seconded by Anne Jahn. Approved unanimously.

PCT Management Update. Tom Correll gave an update via phone call

- Tom Correll and Nicole Sands have resigned; replacements are pending.
- A new restaurant in the PC Cider Mill has been leased: [MK Cannelle](#)
- Bridge construction at Woodward (31.7) is out for bid.
- Encroachment near PCT Cider Mill to be taken down by the owner in June.
- A new website is under construction and nearing completion.
- National Trails Day is Saturday, June 7. Nothing is planned yet.

Ideas for Kreuzkamp-funds were discussed

- Expand or annex the Moutrie Pollinator Garden
- Playground at the PC Junction
- Donation (\$1-10K) to Clinton River Trail for wash-out restoration, if Commission OKs.
- Exercise equipment at the PC Junction

- Viewing deck somewhere along the PC
- Bird houses with informational signs
- Swing
- Bicycle Ramp at Gunn

Moutrie Pollinator Garden Update

The Garden needs work. Members will do volunteer work ad hoc, as was done last year. Matt R. will continue to trim the grass when needed.

Mulch will be ordered if needed. The City of Rochester Hills will be asked to leave any mulch ordered on the side of the garden, and volunteers will spread it to avoid covering sprouting plants. The Della Torres subsequently inspected the garden and believed no additional mulch is needed.

Other Business

Insurance due date 7/1/25: \$873/year. Members believe renewal is appropriate, absent any new information.

The next meeting date (TBD) is contingent upon the Trail Manager's availability

The meeting adjourned at 7:30 pm
